It is a violation of Cognizant's Anti-Corruption Statement to provide preferential treatment in the hiring process for referrals from a client, potential client, or Governmental Official¹ in exchange for any business opportunity or advantage. If a profile is received from or referred by a client, potential client, or Government Official, the Referrer must notify the Talent Acquisition Group in connection with uploading the profile to ensure appropriate diligence is conducted in accordance with Cognizant's "[Procedure for Anti-Corruption Compliance in Recruiting & Hiring Practices](#)". The Talent Acquisition Group will notify the Regional Ethics & Compliance Officer or the Chief Ethics & Compliance Office of the referral.

Policy coverage and applicability

The referral bonus will be paid to the referrer only after the referral completes 90 days of continuous employment with Cognizant from their date of joining. There may be exceptions to this which is detailed in section “Referral Bonus Payout timeline”.

In case the referrer has resigned, the referral bonus will not be paid. Both the referrer and the referral must be active employees, and not serving separation notice period at the time of referral bonus payout. **Exception:** In India, if the referrer has resigned the referral bonus will be paid as part of full and final settlement to the referrer. If the bonus is being processed as part of the final settlement, the referral bonus will be paid to the referrer if the referral has completed a minimum of 60 days of continuous employment with Cognizant from their DOJ and not necessarily 90 days.

The referral bonus will be paid along with the salary subject to withholdings and deductions as required by the applicable law. The details on the referral bonus amount are stated in Appendix A Table 1.

All referrals joining Cognizant will undergo the mandatory Background Verification (BGV) process. Referrals must have cleared the BGV positively but shall be waived if results are not available 3 months after joining date.

Referral Bonus Payout timeline

India, APAC, UK&I, LatAm and CE: Referral bonus payout shall be processed and paid out in the subsequent payroll on completion of 90 days of employment from the DOJ.

1) In El Salvador referral payout will be processed in the next payroll cycle after referral has successfully completed probation period (30 days) and signed permanent contract **2)** In Philippines the referral bonus shall be disbursed in two installments. The first installment of 50% will be paid on completion of 90 days of employment of referral from Date of Joining (DOJ) and the second installment of 50% will be paid only on completion of 180 days of continuous employment of referral from DOJ. In case the 90th or 180th day of the referral falls within a week of payroll cutoff date; the referral bonus will be released in next payroll cycle.

North America (United States & Canada): The referred candidate is required to complete 3 months (90 days) of continuous full-time, active employment with Cognizant. The referral bonus will be paid on the fourth month. Referral bonuses are administered once a month along with the first paycheck (Exempt employees will be paid on the 15th and Non-Exempt employees will be paid on the first or second paycheck of their payroll cycle). For instance, if the candidate started on May 7th, he or she will complete 3 months of employment with Cognizant on August 7th. The referral bonus will be paid on September 15th for exempt employees and September 13th or 27th for Non-Exempt employees.

If the referral joins outside of the base location of the referrer, terms of payment of both countries will be considered and the least will be paid as bonus. The referral bonus is paid to the active payroll account of the associate. **Exception 1):** For Latin American countries associates can only cash a bonus if their referral is hired to work in the same country. They can still refer for other locations but won't be eligible for cashing a bonus if candidate is hired. **2)** In Philippines, associates are entitled for a bonus if their referral is hired to work in the same country. They can

still refer for other locations but would not be eligible for a bonus if candidate is hired.

There are no limits to the number of referrals an associate can make. **Exception: 1)** Associates in India are not eligible for payments above INR 3 Lakhs per year. **2)** Associates in North America and Japan can refer and receive bonuses for up to 5 hires per calendar year. Hires above this limit will still be considered but will be subject to the approval of Regional TAG head.

Candidates hired through campus/off-campus programs are not eligible for referral bonus. **Exception: 1)** In India, referrals to hire graduates are eligible for bonus (applicable only for off campus hiring for CDO). The bonus for such referrals shall be based on the grade of hire as stated in Appendix A Table 1. **2)** In APAC referrals to hire college graduates are eligible for bonus applicable as per advertised opportunity. The bonus for such referrals shall be based on the grade of hire as stated in Appendix A Table 1. **3)** In CE referrals to hire college graduates are eligible for bonus applicable as per advertised opportunity. The bonus for such referrals shall be based on the country of hire as stated in Appendix A Table 2 and not on basis of the grade.

Region specific special referral campaigns and payouts need to be approved by the Regional TAG Head. The modes and means/rules of payout shall be detailed in the campaigns and such provisions will be strictly adhered.

The referral app is designed in a way wherein Associates in APAC, CE, India and UK&I region can upload a candidate profile, without tagging it to a specific job ID. The candidate referred can search opportunities and apply for jobs thereafter. Associates in NA & LATAM region can upload a candidate profile against a specific job ID only.

The way the referral source is tracked varies across regions. In some regions the candidate source (the first associate who uploaded the candidate profile) is given credit, whereas in others, it is the job specific source (the associate who uploaded the candidate profile against the job which the candidate has been hired against) is eligible for the referral bonus. Employee referral bonus payout may not be applicable if the candidate has been referred by any other source, such as agency. Region-wise nuances are explained below.

North America & LATAM: Referral submission will be against specific job id.

APAC, CE, India, & UK&I: Referral submission can be a “Quick Reference” (generic upload) or specific against a job id.

However, the referral bonus shall be paid to the referral source if the candidate is offered within the referral validity as stated in section “Referral Validity”.
